## Fall in ♥ with the Grannimals

Discover the latest collection of adorable Grannimals, now available in the UK exclusively through leading UK distributor, Cheeky Rascals.

A modern take on a traditional toy, Grannimals are retro-trendy, hand-knitted animal characters that come beautifully presented in their own personalised 'shoe box', as if sent by Granny. A huge hit in the US and Europe, Grannimals are soft and cuddly and make an ideal gift.

There are 3 ranges to choose between - Original Grannimals (25cms high), Mini Grannimals (12.5cms high), and the unique 'My Woolly Family and Me' Grannimals (30cms high). These are Mummy or Daddy Grannimals cuddling their babies, a fabulous present from parent to child.

To see them is to love them, so make sure you come to the Cheeky Rascals' stand (Hall C, Stand 10).
